

Greene, Lenoir, Wayne Counties and the Global TransPark

Invest in the Mission.

We'll Bring the Jobs Home.

We just need your help to get there.

HOW OUR INVESTOR PROGRAM WORKS:

We Need Your Help. Help Us Fund the Road.

Every dollar raised goes directly to the business recruitment work that turns prospects into announcements. Plane tickets. Trade shows. The meetings that matter. We follow the leads, and your investment makes sure we can. We just need you with us.

Founders Cover Operations.

Office Operations and all overhead costs, including EDR staff salaries, are funded by Greene, Lenoir, and Wayne Counties & the NC Global TransPark. Our Founders fund our operations. *Your investment funds the business recruitment mission.*

The NC Global TransPark Economic Development Region is going after new jobs and investment for Greene, Lenoir, and Wayne Counties.
